- Actual distribution amounts are based on gains and losses realized through October 31, 2018. Tax adjustments may cause losses to be deferred or may cause unrealized amounts to be treated as realized. Changes in shares outstanding may cause per share amounts to vary.
- Short-term capital gains are taxable as ordinary income. The above chart does not reflect calculations for Qualified Dividends. However, those calculations, if applicable, will appear on your Form 1099-DIV.

- The RMB Funds listed above are expected to pay capital gain distributions on December 13, 2018, to all shareholders of record as of December 12, 2018.
